2016-2017

Welcome to a new season at Dance Dynamics. Dance Dynamics is a dba of Wheeler-Jordan Inc. and will be known as Dance Dynamics henceforth. This notice is designed to help with understanding our program, have a clear calendar of events and financial planner. If you have any additional questions, please visit our website or see the front desk. You will want to download our Google Calendar from the website so alerts easily accessible from your phone or computer throughout the season.

TUITION: Monthly tuition is due on the first day of each month and is considered late if paid after the 10th. A \$10.00 late fee will be charged to accounts on the 11th of the month, which are not paid in full. There is no refund of tuition for missed classes. Tuition is based on a 4-week month, 12-month year and every few months the calendar provides an extra class which is offered at no additional charge. During the 12 month season, the studio offers many weekend activities, some of which are also offered at no additional charge. However, please be aware, **full tuition is expected for December and half the regular tuition for July** even though we are closed part of that month. Unlimited classes are offered during DANCE TILL YOU DROP WEEK in June. **June and July's tuition is due June 1st so please mark you calendar to be prepared financially.** If July's tuition is not paid, your dancer will not be permitted to participate in the June recital. **You may pay your tuition in advance at any time.** (Tuition paid in advance is non-refundable). A \$25.00 service charge will be assessed on all returned checks.

REGISTRATION FEE: An annual fee of \$20.00 per family and is due when your student starts classes for the season.

BULLETIN BOARDS: In the lobby of the studios there are bulletin boards noting upcoming events and monthly birthdays. It is important to check this board often. Please read the board for upcoming events when you visit the studio to pay your tuition. Please take note of these reminders to avoid missing any activity or change in the schedule. Again, the Google Calendar is very beneficial if you are not inside the studio on a regular basis.

(Pre-sale tickets \$8.00, at the door \$10.00)

The above schedule is tentative as some dates may change throughout the year

SOLO AND DUET CLASS: Solo and duet classes are taught at the discretion of the teachers. Some students will be awarded a solo/duet class that will be considered "competitive" and others will perform for "show". We want everyone to have equal opportunity but realize some students are not at a competitive level. The cost for private classes is \$40.00 per half hour class and the class is held every other week. If the students are participating in a duet the cost is \$22.50 per student per class. Solo and Duet fees must be paid when the class is taught. **Your account must be completely paid (including fees, tuition, sales, etc.) before any private lessons will be given. For example – if your solo is scheduled for the 2nd, account must be current on the 1st. NO EXCEPTIONS.**

COSTUME ORDERING INFORMATION: We will measure each student for costumes from December 1-21. If your dancer is absent when the other dancers in class are measured, it is your responsibility to take them to the desk for measuring. The hours we are available are listed at the end of this notice. **The first deposit of \$25.00 per class is due October 3rd, the second deposit of \$25.00 per class is due November 1st and the balance is due on or before December 7th.** The average cost of costumes is \$65.00-\$200.00 per class per dancer. No refunds on costumes are given and no cancellations are made. Costumes are not custom made according to measurements. Each costume company provides a sizing chart that we use to compare the measurements with and are used to size the dancer closest to S, M, L or XL. Make sure to verify the size your dancer is measured for by checking the costume book. If your dancer requires an extra-large or bigger costume, there is an additional fee per costume.

COSTUME BOOK: The costume book is posted at the desk after the teachers have chosen costumes for each class. In this book is a photo of the costume, price of the costume, required shoes, tights, hair style, jewelry and stage makeup requirements. We also list the size each dancer was measured for, the name of the routine being performed and which performances the class will be attending.

CHEER CLASS UNIFORMS: The cost of the cheer uniforms is more than the cost of dance class costumes, but uniforms are usually able to be worn for multiple seasons. The cost for a uniform can run anywhere from \$175.00 to \$300.00. There will be additional costs for black long-sleeved under shirts, red briefs and cheer shoes.

RECITAL: Recital is held at Victoria Gardens Cultural Center Theater. Tickets for the recital go on sale Monday, April 17 at the theater box office. Tickets are assigned seating. The cost for a ticket is approximately \$16.00 per seat regardless of age (theater rules) plus the theater charges a \$2.00 ticket fee per seat. All ticket sales are final – no refunds will be given. Please purchase your tickets as early as possible as we do sell out and the earlier we know seats are running out, the more options and time we have to make plans to accommodate everyone. As a reminder, **July’s tuition must be paid in full in order to participate in the June recital.**

HOW MUCH DOES EACH OF THE PERFORMANCES COST? There are no costs to the parents for the Christmas Parade. Tickets for the winter and spring concerts are \$8.00 a seat presale at the studio (\$10.00 at the door). Everyone gets a program as a keepsake. The winter and spring concerts have sold out in the past, please purchase your tickets early.

COMPETITION FEES: All classes are invited to attend the Dancin’ Dayz Rancho Mirage Competition. Some classes will attend additional competitions. The fees for the competitions are approximately \$37.00-\$60.00 per dancer per group routine and some may charge a spectator fee at the door. These fees are generally due 45 to 90 days prior to the event. Some competitions award trophies to all dancers and some award pins and one trophy which are displayed at the dance studio. Transportation to competitions, hotel expenses and reservations are the responsibility of the parents.

CANNOT ATTEND BOOK: We have a book at the desk called the “Cannot Attend Book”. Each performance has a page in the book which you may sign your dancers name to if they cannot attend that performance. You will be asked to list a reason why the dancer will not be there. If the teacher has to make changes to the choreography, the absent dancer may be moved to the end or the back for the remainder of the season to avoid having to make everyone change formations a second time when absent dancer returns.

PROPER ATTIRE FOR CLASS: Appropriate dance shoes are required for all classes. Growing room in shoes must be conservative, as shoes need to fit the foot closely. Hair must be up for all classes – ballet classes the hair must be in a bun. Ballet class students are required to wear a specific color and style leotard according to level and pink tights to all classes. Jazz and tap class students may wear jazz pants or shorts and a leotard or a tight fitting shirt. Hip hop students may wear baggy pants (no jeans) and a loose fitting shirt and clean tennis shoes.

FUNDRAISERS: Each season we do a fundraiser in September. The profit of the fundraiser goes towards the student's costume account.

STUDIO POLICY REGARDING CLASSES AT OTHER STUDIOS: Dance Dynamics does allow students to take short intensives at other studios and participate in conventions. However, due to a conflict of interest during performance time and rules set out by the competition companies, students may not take classes at other studios on a regular basis while enrolled at Dance Dynamics. Any questions regarding this policy should be directed to Miss Jeanette or Mr. Stephen.

GOSSIP We are working with your most precious people and you are passionate about them. We understand that and also understand negative comments and gossip associated with extra-curricular activities is common. You may see your daughter/son in a different light than we do. However, we have a no tolerance policy for parents who habitually express negative comments. We ask that our parents remember children react to and are influenced by your comments and emotions. If you have concerns, please leave a message for a staff member. They can help you with whatever is troubling you. If the staff member cannot help you, please seek the aid of Miss Jeanette or Mr. Stephen. Destructive comments make others feel uncomfortable and we strive to make the dance studio a positive place for fun and learning. Dance Dynamics would like to make everyone happy all of the time but we know that is not always possible. If you are unhappy at Dance Dynamics, we are sorry but will ask you to leave rather than to stay with us and complain and make others uncomfortable.

STUDIO COMMUNICATION WITH PARENTS: Often parents drop students off for class and do not come in when students are picked up. **These parents are often the ones who are unaware of information regarding upcoming events and deadlines.** Students are often given notes and after the students leave, we are unaware if those notes make it to the parents and if the parents read them. Please do not miss out on information – visit the inside of the studio at least once a month and find out all the great things we are planning for your dancer. Please check the studio lobby bulletin boards often, look in the dancers bags for notes, visit our website, Facebook, and download the Google Calendar.

COMMUNICATION WITH TEACHERS: This has proven to be a difficult area. The teachers may run the classes over occasionally. When this happens it is always a rush to get the students out and the next class in and started. This leaves no time for the parents to talk with the teachers if they have questions. Please understand the teachers first priority is the education of the students. You can contact the teachers through the e-mail addresses below.
